## President's Message

Summer is almost here. Despite the recent rain, our Jersey Shore Region events are heating up! We're bringing back fan favorites, launching new activities, and keeping the ones we all love. Here is a quick summary of upcoming events.

First up, we have scheduled a Tour of the Jersey Shore event on May 18<sup>TH</sup>. This is a drive from the Highlands to Point Pleasant, with cool stops along the way.

We are returning to the Happy Apple Inn. On June 14<sup>th</sup> we start in the afternoon at Cream Ridge Winery at 1:30 PM, then head to the Happy Apple Inn at 3:30 PM for food and fun.

I'm thrilled to announce a brand-new event — a fishing trip! We are a Jersey Shore club, so why not go fishing? Join us aboard a beautiful 95-foot party boat out of Atlantic Highlands on Sunday, June 22nd, from 3:00–8:00 PM. Rods, bait, and food are available onboard. Bring friends and family — it's going to be a memorable day on the water. Spots are limited to 20, so sign up soon.

Check your email for blasts on these events and get all the events scheduled for the year on your calendars.

I'd like to thank those that completed the survey. We take the feedback seriously and it's a great way to get input from members and helps drive our activities and direction of the club.

Lastly, I wanted to give a quick reminder to support our sponsors. In case you missed it, Porsche Monmouth is offering an exclusive service deal — \$60 off per hour of service now through June 30th. That's a huge savings and only available only to our members. When you visit one of our sponsors, please let them know you're a JSRPCA member. Our sponsors help make our events possible, and by supporting them lets them know that their investment in our club is helping drive business.

See you on the road,

Chuck

**The Jersey Shore Region would like to welcome  
the following new members to its club!**

Dean Bracuti 1998 Boxster	Greg Hudson 2001 911 Carrera Cabriolet	Gabriele Jasper 2017 Race Car
Todd Prager 2008 911 Turbo	Peter Ragan 1977 911S Targa	W Ragan 1987 911 Carrera Cabriolet
Sanjay Singh 2019 Macan	Catherine Taeschler 2018 Macan	Charles Tawil 1999 911 Carrera
John Timoni 2014 Cayenne GTS	Edward Tracy 2021 Macan S	Joe Zito 2018 911 GT3

**Congratulations to the following for their membership anniversaries!**

**5 YEARS** - Bob Cominos

**10 YEARS** - Thomas Bahr, Wesley Patterson, Paul Solk, Tony Tavares, and Travis Weiss

**15 YEARS** - Joseph Calabro, Kenneth Daleda, Darrell McGee, and Vikram Natarajan

**25 YEARS** - Chuck McCabe

Dear Members,

Calendar year 2025 is an election year for JSR. The elected officers of the Region are President, Vice President, Secretary, and Treasurer. Term of service is two years.

In accordance with the club's by-laws Brian O'Sullivan has been appointed Nominating Committee Chairperson with Scott Kirkwood as a participating committee member for this year's elections. The Nominating Committee is charged with recommending a slate of candidates to the Executive Council for all four positions, **President, Vice President, Treasurer, and Secretary.**

All active members or family members are eligible for nomination.

With this in mind, please let me know if you would be interested in running for any of these positions or want to help out in another way. We are always looking for people who are willing to contribute in managing club activities. We promise not to take up too much of your time! I can be contacted, [p2021c2s@icloud.com](mailto:p2021c2s@icloud.com).

There is a defined process for voting in November, so stay tuned for further details. If interested in reading the by-laws detailing the process they can be reviewed by clicking on the following link to the JSR website.

[Click here to view club by-laws](#)

Thank you for your time and consideration,

Brian O'Sullivan  
Nominating Committee Chairperson

## **Dealer's Perspective**

Patrick Hauser  
General Manager

[phauser@penskeautomotive.com](mailto:phauser@penskeautomotive.com)

### **Dear Jersey Shore Porsche Club Members,**

Greetings from Porsche Monmouth. We hope this message finds you well and enjoying the thrill of driving your Porsche.

We are writing to share an important update regarding the Porsche 718. As many of you may know, Porsche has announced that the production of the 718 gas engine will come to an end in October 2025. This marks a significant transition as Porsche moves towards an electrified future.

### **Final Notice: Last Chance to Own a Gas-Powered Porsche 718**

For those who have cherished the roar of the 718's gas engine, now is the time to act. This is your last opportunity to own a piece of Porsche history before the 718 goes fully electric.

We are excited to announce that we have just received our final allocations for the gas-powered 718 models. Right now is the best time to order one before they no longer exist.

### **Why Choose the Porsche 718 Gas Engine?**

- **Performance:** Experience the unmatched performance and driving dynamics that have made the 718 a legend.
- **Heritage:** Own a part of Porsche's storied heritage with the final gas-powered 718.
- **Investment:** These models are sure to become collector's items, making them a valuable investment for any Porsche enthusiast.

### **Exclusive Offers for Jersey Shore Porsche Club Members**

- **Special Service Discount:** 3 Years of Porsche Scheduled Maintenance included with the order or purchase of a New 2025 718.

We invite you to visit Porsche Monmouth and explore the final gas-powered Porsche 718 models. Our expert staff is here to assist you with any questions and ensure you find the perfect vehicle to suit your needs.

Feel free to reach out to us at 732-935-7600 to schedule a visit or learn more about our exclusive offer. We look forward to welcoming you to our dealership and celebrating the legacy of the Porsche 718 together.

Warm regards,

**Patrick Hauser**

## Porsche Monmouth Exclusive Service and Referral Offers

**We are excited to share some exclusive benefits available to Jersey Shore members at Porsche Monmouth thru June 30th, 2025!**

As a token of appreciation for your PCA membership, Porsche Monmouth is pleased to offer a **one-time \$60 off every hour of service**. The standard \$239.95/hour rate is NOW \$179.95/hour for **Jersey Shore Porsche Club Members exclusively!**

This is in addition to the **10% discount on Porsche Genuine Parts** for all yearly services, alignments, brakes, and routine maintenance. Now owning your Porsche is even more affordable! Also keep in mind that Porsche Genuine Parts are protected by a 2-year warranty.

A **complimentary tire and alignment check**--a Video Multi Point Inspection from a Factory Trained Technician--is also included on your Porsche when you pull into our service drive for a scheduled service.

Additionally, all routine maintenance service appointments will include a **complimentary car wash (\$50 value) and vacuum** to keep your Porsche looking its best!

Porsche Monmouth is also offering a **complimentary loaner car (\$200 value)** for your convenience when you schedule your appointment.

Please make sure that you have your PCA membership card available to show the Service Advisor.

Porsche Monmouth looks forward to seeing you soon and providing you with the exceptional service you have come to expect. **Be sure to take advantage of this offer exclusive to Jersey Shore members before June 30th!**

\* \* \* \* \*

**In addition, Porsche Monmouth is offering a very lucrative referral program!**

If a Jersey Shore member refers a customer that either purchases or leases a Porsche, the member's **next yearly scheduled maintenance service is covered by the Porsche Monmouth Service Department.**

If a Jersey Shore member refers a customer who either purchases or leases a Porsche EV (Macan/Taycan), **the next 2 yearly scheduled maintenance services will be covered by the Porsche Monmouth Service Department.**

If a Jersey Shore member purchases a Porsche EV Macan, a **13% discount off list** will be applied.

If a Jersey Shore member currently owns any brand of EV, they are invited to **take a Macan EV home for an overnight test drive.**

**Be sure to take advantage of these rewarding Porsche Monmouth opportunities through June 30th, 2025!**

## **JERSEY SHORE MEMBER SURVEY ACTION PLAN**

**Thank you to those members who responded to our survey! We received 132 responses—32% more than our previous survey in 2022.**

**As a result, please see the key actions developed by the Board:**

Dedicate first month of each quarter to an OPEN board meeting for increased transparency. Pizza and appetizers. Promote as New Member Meeting (2025-7/8, 10/7 Locations TBD)

Feature a Technical Guest Speaker at each meeting when possible (for example- someone to speak to the pitfalls associated with buying a used Porsche)

Increase lead time announcing events

More of a focus on engaging “new” members at events

Resurrect team to determine how best to further develop, maintain, and ultimately create more awareness of JSR Website

More concours/car show events

Monthly Cars & Coffee during warmer months in various Monmouth/ Ocean County locations

Increase focus on JSR social media platforms

Engage beginner/green drivers for August DE with Taste of the Track & Introduction to DE programs

**If you have any additional input, feel free to reach out to me at [dawnresnick126@gmail.com](mailto:dawnresnick126@gmail.com). Also, please let me know if you are interested in helping out on any of these initiatives!**

Final Destination – Seaside Heights Beach Boardwalk area.

Anticipated Arrival – 12:00 PM

Miles Covered from Pt. Pleasant Beach – Jenkinson Aquarium Parking Lot – 11 miles

20 minutes from Pt. Pleasant Beach – Jenkinson Aquarium Parking Lot

Happy Driving this Summer!

## Cream Ridge Winery/Happy Apple Inn - June 14th by Dawn Resnick

Dear JSRPCA Member,

Come join us on Saturday, June 14th, for an afternoon in the beautiful New Jersey countryside. We'll first meet around 1:30 at the Cream Ridge Winery. This is a small sustainable winery on a 14 acre farm in rural Cream Ridge, New Jersey. They have wine tastings available (\$15 pp, 10 wines, 1/2 oz each), as well as wine available by the glass. Bring a lawn chair if you're going to join us!

At 3:30 we will start our engines for the 5 minute ride to the Happy Apple Inn. Many of you participated in last year's Happy Apple event, and I'm sure you recall the fun atmosphere and wonderful food. For those of you unfamiliar with this venue, it was built in the 1800s as a stagecoach rest stop between the state capital and Jersey Shore towns. The restaurant is charming and we'll be ordering off their regular dinner menu. Please bring cash as credit cards for the anticipated number of people will be just too cumbersome for them. For those skipping the winery and heading directly to the Happy Apple Inn (also in Cream Ridge), dinner begins promptly at 4:00.

Please RSVP to me by June 7th and let me know if you are planning to come to the winery AND dinner, or just dinner. There is room for only 20 people, so let me know as soon as you can. [Dawnresnick126@gmail.com](mailto:Dawnresnick126@gmail.com).

Look forward to seeing you there!

Dawn

## JSR Fishing Trip ! - June 22nd

Hey JSR Members – we’re trying something a little different... and a lot of fun!

Thanks to our own JSRPCA member, Rich Bunger, we’ve locked down an exclusive fishing trip for JSR members, friends, and family! These trips usually sell out fast, but we’ve snagged 20 coveted spots for an epic day out on the water.

- ☐ **Date:** **Sunday, June 22nd**
- ☐ **Time:** 3:00 PM – 8:00 PM
- ☐ **Location:** Aboard the legendary **75-foot Mi-Jo**, Atlantic Highlands
- ☐ **Fish On!** Target species include Bluefish, Fluke, Striped Bass, and Weakfish
- ☐ **Cost:** \$80 per person + 20% gratuity for the crew

Bring your friends, your family, and even the kids – and make some waves and memories that’ll last a lifetime!

### About the Mi-Jo Experience

This isn’t just any boat – the Mi-Jo is a 75-foot powerhouse: fast, safe, and fully loaded for fishing and comfort. Twin turbo diesel engines get us to the hotspots quickly, while you relax in a spacious lounge with a galley, stereo system, color TV, and yes – real restrooms.

- ☐ Morning coffee? Yes!
- ☐ Rods and bait? Yes!
- ☐ Full galley with food & drinks? Yes!
- ☐ ♂ Experienced crew and mates? Yes!

**Captain Mike Scardigno** is the real deal – a local legend with over 40 years of experience fishing the Sandy Hook area. He knows the tricks, the tides, and the top-secret spots that practically guarantee a good catch.

### Only 20 spots available – don’t miss the boat!

Grab your gear, your sense of adventure, and maybe a cooler for your haul. Let’s go make some fish tales together. First come first serve, please send a check for \$96 per person that includes gratuity made out to JSRPCA to Chuck Benz, 1012 East Ave, Mantoloking, NJ 08738. If we exceed the 20 limit, we will try to add additional if slots are available. If you have questions, email me at [cwbenzjr@comcast.net](mailto:cwbenzjr@comcast.net). I’ll be away for 2 weeks but will respond as best I can.

## Monticello Motor Club - April 15th by Ben Lau

Special Thanks to Porsche Edison for special exclusive invite to Monticello Motor Club, Porsche Driving Experience to drive newest base 911, Cayenne S (SUV/Coupe), Macan 4S EV and Taycan 4S EV.

On Tuesday, April 15th at 8:30AM, participants were treated to a morning session from 8:30AM to 12:30PM to drive various Porsche models in a lead follow instructor manner via walkie talkies. Helmets were worn during the Cayenne and 911 drives.

Each participant was able to drive each model enthusiastically around different parts of Monticello track for 4 laps each in a Cayenne and 911 models.

The Macan EV and Taycan EV were driven for 2 laps in a shorter more technical portion of the course to show the EV ability to change direction with ease.

This driving experience event emulated the type of driving courses that are available at other Official Porsche Experience Center in Atlanta, Birmingham and Los Angeles where Porsche driving instructors coached each driver on how to maneuver a Porsche in the best possible manner to showcase the Porsche model technical attributes in what makes a Porsche exhilarating to drive learning about the handling, acceleration and braking performance in a closed circuit track environment. *(cont.)*

## Monticello Motor Club - April 15th (cont.d)

It was a fun day to break up the work week. Why wait for the weekend to have some fun in the sun with Porsches.

The day ended with gourmet sandwich lunch provide by the Monticello Motor Club kitchen and Genuine Porsche Thermos Cup gift provided by Porsche Edison!

If you ever are invited to these Porsche Driving Events, please come out and experience it! You won't regret it and you will come to appreciate the Porsche brand further and meet other like minded Porsche enthusiasts who love driving!

Monticello Motor Club's racetrack is a private club membership. The track is comprised of 4.1 miles of pristine race-grade asphalt. The full course is 3.6 miles long with 20 turns and 450 feet of elevation changes. The track was designed by Brian Redman in partnership with Bruce Hawkins, an Engineer with PS&S. PS&S designed Virginia International Raceway and NJ Motorsports Park.

## Safety & Tech Night 2025 - Wednesday, July 23rd !

**Come join us for our annual FREE Tech Night!**

Bodysmotion is proud to host our annual Safety & Tech Night on Wednesday July 23rd from 5:00 to 7:00PM. All are welcome for FREE safety & tech inspections! Inspection will be performed for all in attendance who also plan on attending the Jersey Shore Region NJMP driver's education event. In addition, ALL PCA members may also bring in their own street driven vehicle for a FREE safety inspection!

**Don't be late!**

Inspections will begin promptly at 5:00 PM and will continue on a first come, first serve basis until 7:00PM!

**High Performance Driver Education event  
on the Thunderbolt Circuit at NJMP Aug 6 & 7, 2025**

**Jersey Shore Region PCA  
High Performance Driving Event**

# **THUNDER IN THE PINES XVIII**

**NJ Motorsports Park  
Millville, NJ**

Sponsored by:

# **Ray Catena<sup>®</sup>** Auto Group

## High Performance Driver Education event on the Thunderbolt Circuit at NJMP Aug 6 & 7, 2025 (cont.)

This is a chance for you to drive your car on a real race track in a controlled environment. You do not have to own a Porsche, you can drive any make car, and you do not have to do anything special to your car for novice drivers. The only requirement is that you have your car inspected prior to the event to confirm it is safe. Bodymotion in Ocean, NJ provides a free safety inspection on July 23, 2025 from 5 - 7 PM, or you can use any Jersey Shore approved repair facility. You must wear a Snell approved closed face auto helmet (which you can rent at the track). Download the tech inspection form from our website [www.jsrpca.com](http://www.jsrpca.com).

This event precedes the PCA Club Race on the Thunderbolt circuit. instructors must sign up for both days. Student and Solo drivers have the option to attend for one or two days. For student and solo drivers participating for 2 days, a \$50 early registration discount will be in effect if payment is made prior to 6/1/25.

### Registration Fees:

**Students:** \$650 for 2-days (\$600 prior to 6/1); \$475 for 1-day

**Solo Drivers:** \$550 for 2-days (\$500 prior to 6/1); \$400 for 1-day

**Instructors:** \$175, 2-days only

For those who are unsure about driving on the track, we offer three additional options:

**Taste of the track**-you will be driven in an instructor's car by an instructor for several laps. No helmet is required and the cost is \$100.

**Introduction to DE**-For first time drivers only. You will drive your own car, which will have to be safety inspected and a closed faced Snell approved helmet is required. You will attend the classroom instruction that all novice drivers attend before driving on the track. You will drive on the track for one 20 minute run with an instructor in the novice group. The cost is \$150. If you wish to continue and drive for the balance of the day, or event, payment of the balance (cash or check only) can be arranged.

**Parade Laps:** If you want to join us and just take a drive on the track for 3 - 5 laps in you own car at highway speeds, with no helmet required. There is a \$20 donation for Ray Catena Auto Group's charity.

### NOTES:

Register online at [clubregistration.net](http://clubregistration.net) - scan the barcode to be directed to registration.

Before signing up, please ensure your profile is up to date on clubreg, including the car you will be driving and your driving experience. Once you sign up, a change to a different car in your profile must be requested in writing to the registrar.

This is a DE, not a race or practice for a race, and will be run under PCA HPDE Rules and Regulations. All non-driving coaches (for solo drivers) MUST register and pay the entry fee in advance. If you are a driver wishing to use a coach, please direct him/her to register prior to the event.

**IMPORTANT!** Registration is NOT complete until payment is made. Payment should be made online by credit card at the time of registration. If it is necessary to waitlist drivers, note that it is the payment date --NOT registration date-- that determines a place in the waitlist queue.

Drivers of cars with auto-braking and/or lane change assist features must be able to (and demonstrate that he/she can) toggle those features off at the track. Please note that cars that do not have the ability to disable these features CANNOT drive on the track.

Please consider joining us or just come down to the track to see what it is like

For questions contact our Track Chairman Richard Gardella at [richard\\_gardella@yahoo.com](mailto:richard_gardella@yahoo.com)

## **Driver ED - Frequently Asked Questions (FAQs)** **by Ben Lau**

“As continuation to last shoreline article, we talked about the Intro to DE and Myths.  
This time we want to go over the FAQs for DE”.

### **1. Can any car go onto the racetrack?**

Generally speaking, all passenger vehicles (excluding electric vehicles, SUVs, and convertibles without a rollbar) whether this is a 2 door or 4 door vehicle can participate in HPDEs as long as it has passed safety tech inspection. You can have 100 horsepower or 500 horsepower, you will be allowed to be on the racetrack. Just be sure to follow the rules and instructions you have received from your instructor or at driver meetings.

### **2. What should I expect in my first session?**

- First there will be a HPDE novice group meeting.
- The day will be explained, and safety protocols, flags etc. will be introduced and explained.
- Expect a slow pace to familiarize yourself with the track layout.
- The focus will be on learning the racing line, braking points, and safe passing zones.
- Sessions last between 20 - 25 minutes. This doesn't appear long, but a proven, appropriate and safe length for novices.

### **3. What if I feel overwhelmed?**

- You will get tired, more tired that you originally thought.
- Take a break if needed. Rest between sessions - hydrate.
- If you do not feel ready to go out for any sessions - then don't.
- Instructors and event staff are there to help. Communicate any concerns, and don't hesitate to ask questions.

## **Driver ED - Frequently Asked Questions (FAQs - (cont.d))**

### **4. How do I stay safe on the track ?**

- **Listen to your Instructor:** Follow their guidance closely. Respect their experience and knowledge
- **Your instructor will look for:** repeated smooth & consistent laps. Instructors will not be happy (or impressed) if your focus is on your speed and disregard for not following or do not follow proper track etiquette.
- **Smooth & consistent** cohesive handling of your steering wheel, brakes, and throttle.
- **Situational Awareness:** you must be aware of your surroundings and other cars.
- **Flags:** Learn and obey all flag signals

### **5. What is the proper track etiquette?**

- **Passing:** For novices passing is allowed only in designated passing zones
- **Passing:** only happens when signaled by the driver ahead.
- **Open Passing:** is only allowed in the Experienced Solo Designated HPDE or racing groups.
- **Mirrors:** Check your mirrors frequently and use hand signals to let the faster cars pass.
- **Cool-Down Laps:** Use cool-down laps to let your car recover before entering the pits.

### **6. What should I bring with me on track days?**

- Snacks and Water or Gatorade to refresh yourself.
- Extra quart of oil. Your car may consume some oil due to high temperatures and constant driving at higher RPMs.
- Tire pressure gauge to check tire pressures and make any adjustments.
- Portable tire inflator to adjust your tire pressures.
- Extra shirts, socks, pants, sneakers and towel because it is typically very hot at the track and in your car.
- Any small tools you feel you need in case of any minor adjustments needed.

## Jersey Shore Region, Porsche Club of America DE Tech Inspection Form 2025

Event Location: \_\_\_\_\_ Event Dates: \_\_\_\_\_

Driver: \_\_\_\_\_ PCA Region: \_\_\_\_\_

Address: \_\_\_\_\_ City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_
