President's Message

From the President

Fellow Porsche Enthusiasts,
Summer is ending and soon the trees will be changing into their fall colors. There's no better time to get behind the wheel and enjoy the change in weather.

I look forward to a nice fall trip in my Porsche to see the colors every year. Louise and I usually travel up to the Adirondak's for a few days which has some great backroads to stretch the legs of the Porsche while taking in the scenery.

Our **Unique Concours** and **65th Anniversary** at Porsche Monmouth was a big hit. We had a large turnout with lots of food and support provided by Porsche Monmouth. We can't thank Porsche Monmouth enough for their continued sponsorship of our club and for hosting our 2nd Annual Concours event. Thanks to your donations we collected \$2,500 that Porsche Monmouth matched with \$2500 and we were able to make a donation of \$5000 to the Paralyzed Veterans of America.

Look for a complete listing of the concours winners in this edition of *The Shoreline*.

Mark your calendars for our upcoming events:

- **September 28 – Cars and Coffee** outside Sweetwater's Café in the Ocean County Mall - 1201 Hooper Ave, Toms River, NJ from 8:30 – 10:30
- **October 4 – Our annual Oktoberfest at Sebastian's Schnitzelhaus** in Wrightstown. Great food, German flair, and a whole lot of camaraderie.!
- **October 18 – The much-anticipated Boardwalk Reunion.** Always a fantastic gathering of classic and modern Porsche passion in Atlantic City. Last year there were over 300 Porsches on the boardwalk.
- **October 26 – Trunk or Treat at Bodymotion.** A fun, family-friendly event—Porsches, kids and candy! Maybe decorate your frunk or trunk with something spooky!
- **Holiday Dinner & Charity Event - 6-10 PM - Lobster Shanty,** Pt Pleasant, Beach NJ **Dec 6**

Look for complete details in this edition of the *Shoreline* and future email blasts.

As always, thank you for being a part of our club.

See you out there!

Greg

Drivers Education Tech Night Hosted by Bodymotion - July 23rd

Bodymotion proudly hosted their annual Safety & Tech Night on Wednesday, July 23rd from 5:00 to 7:00 PM. Inspections are required to participate in a Driver Education (DE) event. All were welcome for a free inspection whether or not they were planning to enter the DE. Attendees were invited to watch the inspections and technicians reviewed results with the car's owner. Refreshments were also provided.

Drivers Education NJMP August 6-7th Greg Pfremmer

The weather for our High Performance Driving Event, Thunder in the Pines XVIII was the best it's been in years. Temps were in the low 80's and there was no rain in sight. The track surface was great and our event went off without a hitch.

The Jersey Shore Region gave a T-shirt to all who attended compliments of Ray Catena Auto Group as attendee's registered at the track. A morning safety meeting was held both days after which drivers began staging for entry to the track. Students then proceeded to the classroom to be instructed on safety protocol and driving points prior to going onto the track with their instructors.

We had 75 confirmed attendees, of which 19 were instructed students, 32 were solo drivers, and there were 18 instructors. There were several students on the waiting list due to a shortage of instructors and we hope to accommodate everyone in future events. *(cont.)*

Parade laps (which is driving your own car on the track at lower speeds) ran during the lunch break both days, and \$395 was raised for St. Jukes Children's Research Hospital, the Ray Catena Auto Group charity of choice. Our region chipped in and a total of \$750 was given.

The cocktail hour, held at the Finish Line Pub on Wednesday evening, was sponsored by Ray Catena Auto Group, and was well attended with lots of hors d'oeuvres and great conversations. Everyone enjoyed the event and many have already indicated they will be back next year.

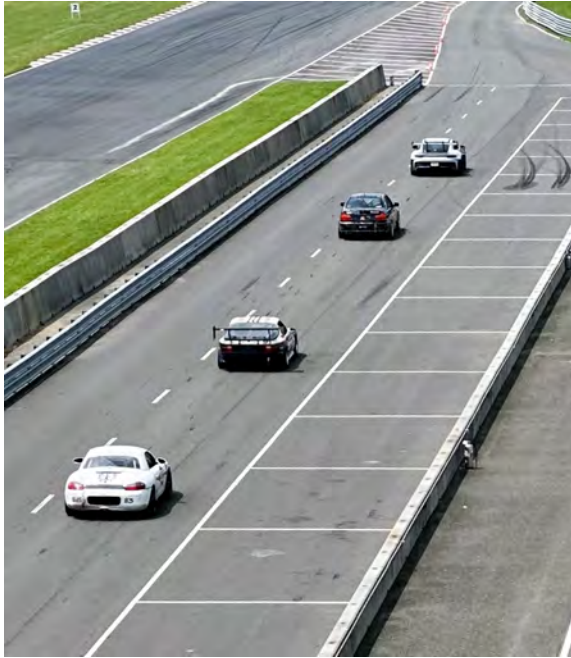

We would like to thank The Ray Catena Auto Group for their continued support. We are already in the planning stages for our event next year and we hope to see you there!

Our Unique Concours and 65th Anniversary celebration was a huge success this year with an estimated 100+ members in attendance. The Jersey Shore Region would like to extend a warm thank you to Porsche Monmouth for again hosting our event. JSR's Rex Jariwala Takes Gold in PCA Sim Racing Summer Tour

This summer, Jersey Shore Region's own Rex Jariwala brought home Overall Gold 🏆 in Club Class during the PCA Sim Racing Summer Tour. Aka the "Hat Trick Award".

The format tested drivers across three different Porsche platforms—GT3 R, GT3 Cup, and Cayman GT4—with combined points deciding the champion. It wasn't just about speed, but about adaptability, consistency, and clean racecraft across very different cars. The Gold Stig rose to the challenge, delivering steady results and clutch finishes to claim the title.

Special thanks go to Charlee Mobile, whose partnership kept the Stallions Racing program connected all season long.

With this gold secured, attention now shifts to Porsche Series 14—where JSR's colors (pics attached) and a refreshed Jersey Shore Shark v2 livery will be back on track for 7 challenging races this fall.

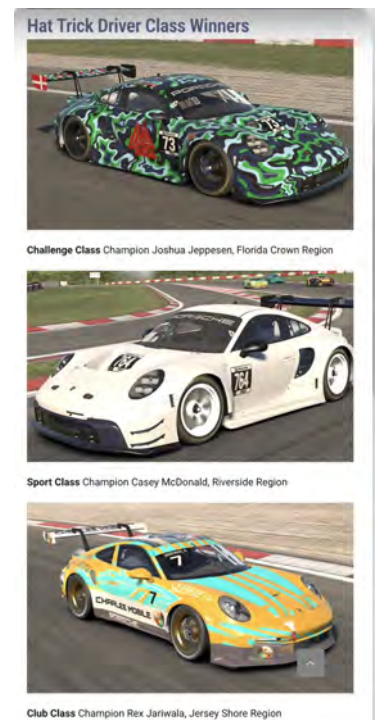

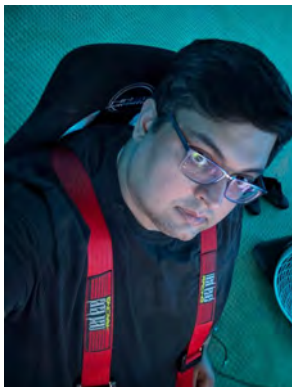

Quick Highlights:

- 🏆 Overall Gold – Club Class
- 🚗 Cars: Porsche GT3 R, GT3 Cup, Cayman GT4
- 💡 Keys to victory: versatility, composure, clean racecraft
- 🏠 Representing Jersey Shore Region with pride

Looking forward to more dubs for Jersey Shore! 🎮
